

# “Celebrating Over 30 Years in the Cladding Industry”

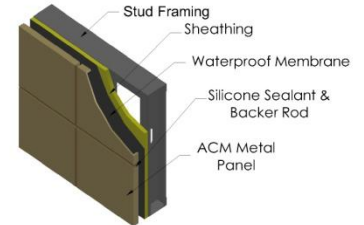

*A Certified Small Business Enterprise*

The  
**Carvist**  
Corporation

As Southern California’s largest Composite Aluminum Panel supplier & fabricator, we keep our warehouse well stocked with Alpollic® ACM panel in a wide variety of color and sizes, for the convenience of our customers. Our one of a kind facility & state of the art equipment along with our highly trained & experienced team allows us the capability of providing quality products with lead times in hours if necessary, instead of days or weeks.

## GN -2000 Wet Seal Rout & Return ACM Panel System

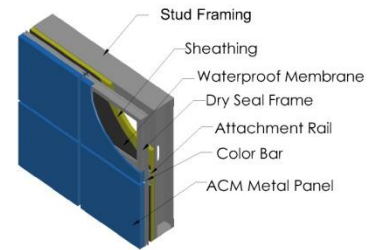

- Optimum Weather protection
- Panels can be installed and removed independently from each other
- Most affordable and easy to install
- Independently tested for wind load and water penetration
- Easy to detect seal issues
- Backed by GE’s 20 year warranty
- 10 year standard warranty for painted finish on all Alpollic® Brand ACM products.
- Available in 3mm, 4mm, & 6mm thick panel for a flat finish

GN-2000
